

Provider Communication

Subject: Failed Medicare Crossover Transmissions	Priority: High
Date: August 2, 2005	Message ID: ACSBNR08022005_2

Dear Providers,

Failed Medicare Crossover Transmissions

Crossover claims reported by BCBS GA to have crossed over to Georgia Medicaid with Medicare payment dates of 5/27/05, 6/22/05, and 6/29/05 failed in transmission due to structural problems with the files. BCBS GA, with assistance from ACS and DCH, is working to correct the transmissions. Please do not contact the CIC to report these claims missing. Correction of the transmissions is the responsibility of the sender, BCBS GA. Providers are urged to contact their BCBS GA representative with any questions or concerns.

Thank you for your continued participation in the Georgia Medicaid and PeachCare for Kids Programs.

Sincerely,

Department of Community Health
